Whichever animal came, he gave the lion his best wishes and offered him some big or small gift

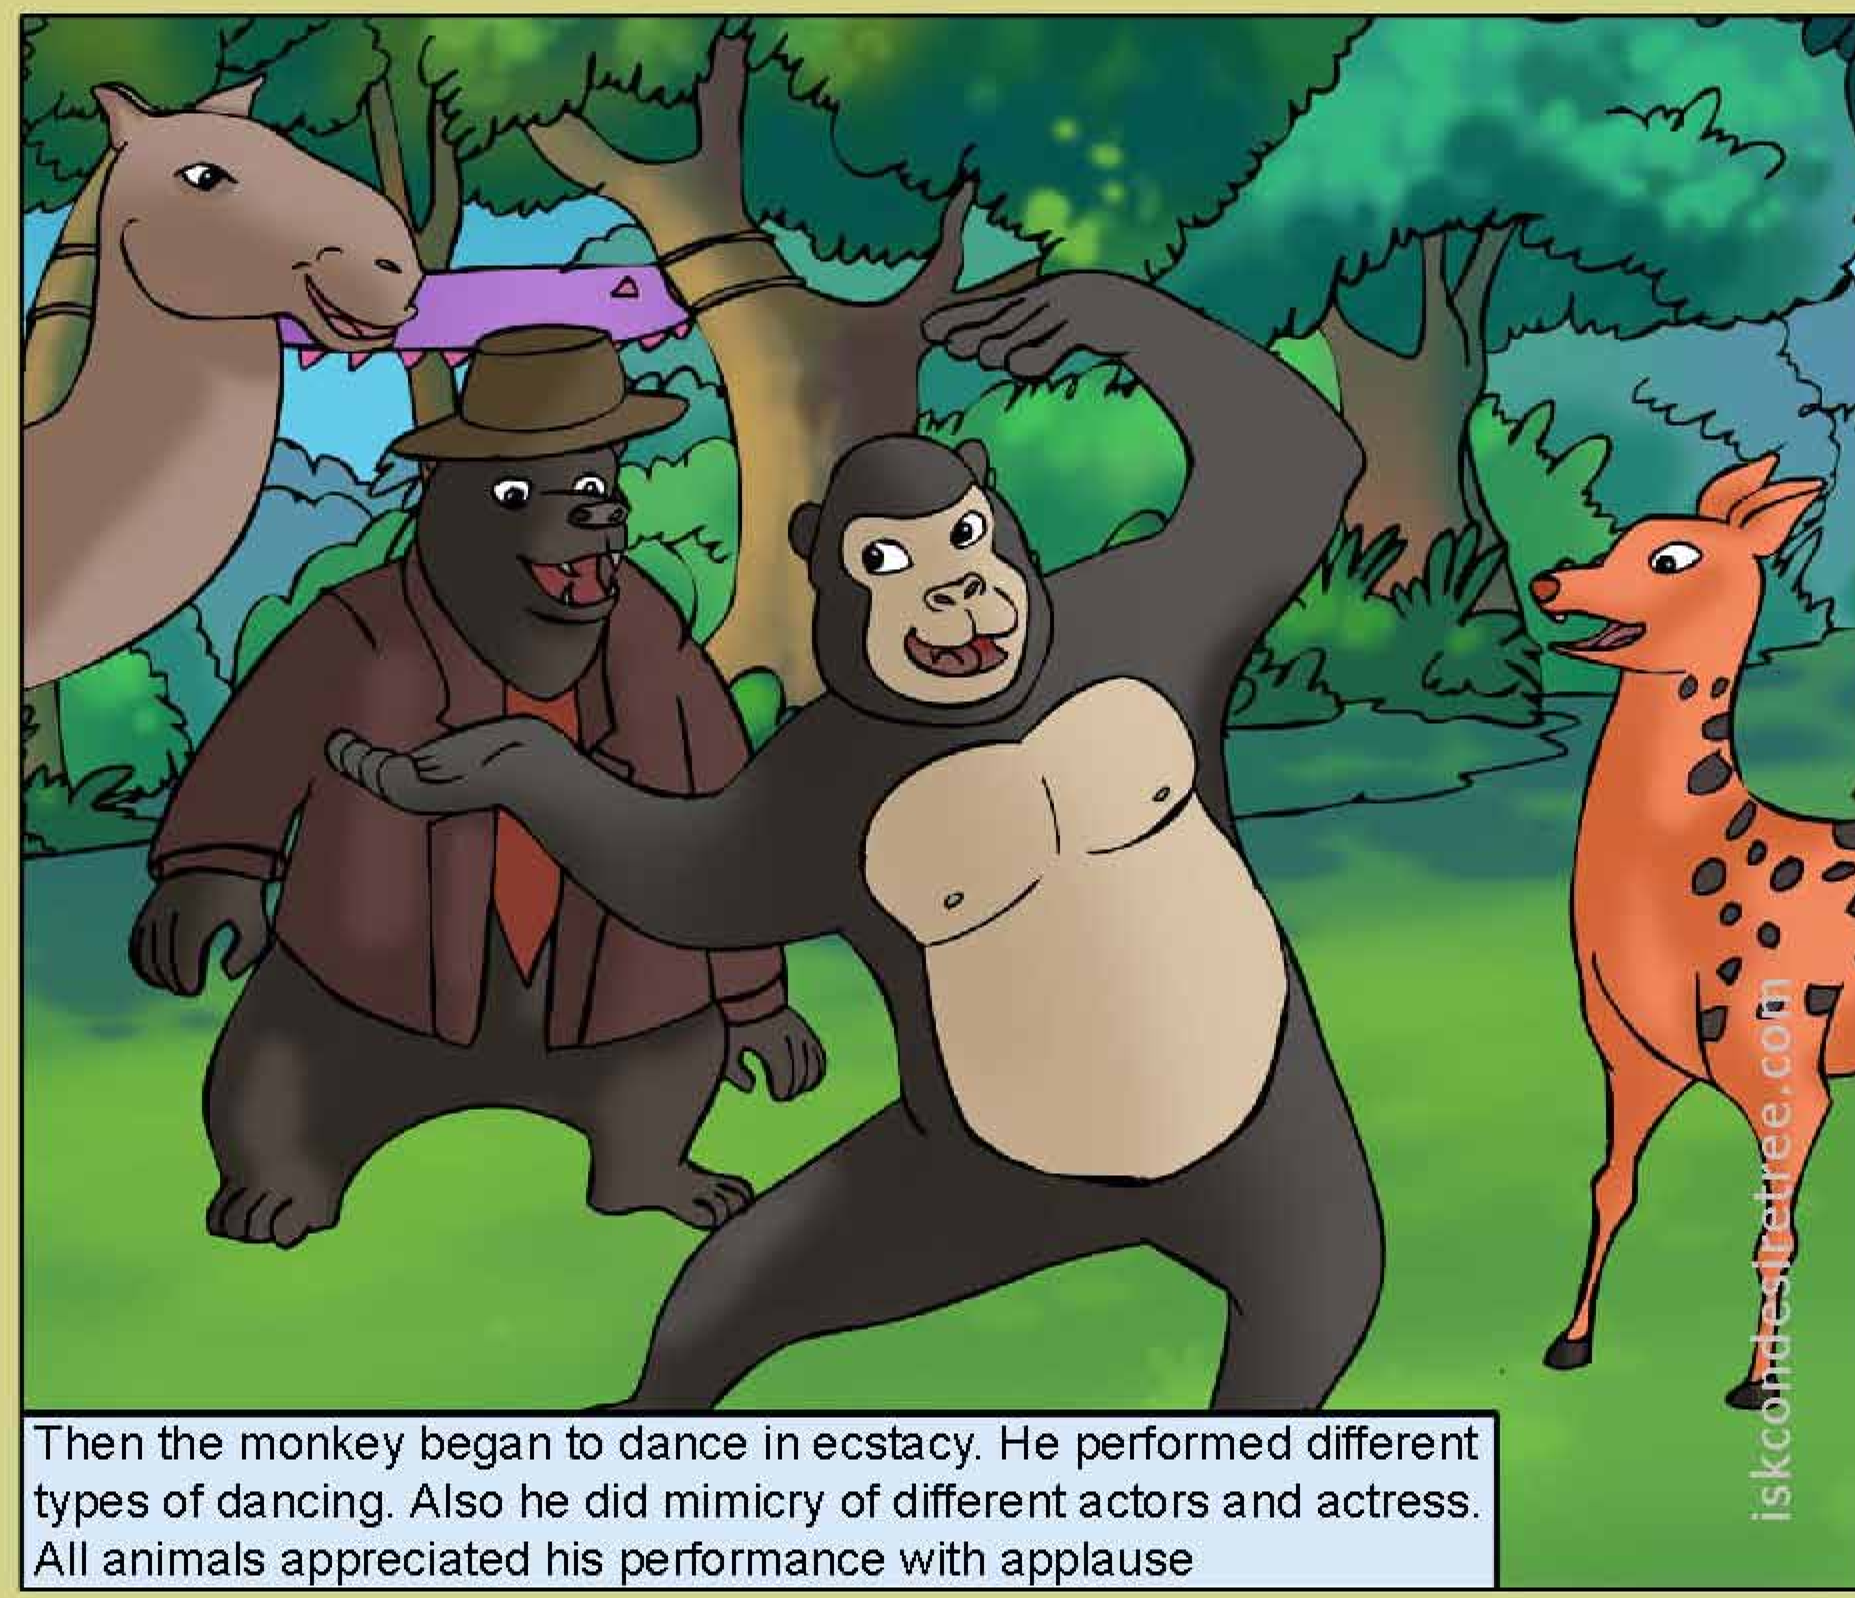

In the centre, a round cake was kept. The lion blew the candle
Happy birthday to you....
Happy birthday to you....
Thereafter, the lion cut the cake

Then the celebration became more lively. The bear had worn a coat and a hat

The camel would shake its waist sometimes here, sometimes there

Sometimes, he raised his neck up, sometimes down, towards left, towards right. In the beginning, all the animals laughed, but now they were bored and disgusted. They began to whistle loudly and made fun of him. But the foolish camel thought that all the animals were praising him. Therefore he began to dance more, ungracefully

At that time, the lion roared angrily and said....
Stop it. Stop it immediately. You do not know how to dance and you are trying to spoil my birthday!

Making a chaos, all the animals marched upon the camel. But the lion stopped them and said....
Do not beat the camel. Make his face black and kick him out
